Transport

Do you have any comments or suggestions for how it could be improved?

The proposals should not focus on a new Crossrail 2 station at Wood Green. The original route for Crossrail 2 involving stations at Turnpike Lane and Alexandra Palace is the better option offering greater benefits to Haringey and the wider community. Crossrail's response to the issues raised by its consultation confirms that the majority of respondents "generally favoured a Crossrail 2 route with stations at both Alexandra Palace and Turnpike Lane". The development of Wood Green should be on the basis of the Turnpike Lane Alexandra Palace Crossrail 2 option.
