

SITE SPONSORSHIP

Haringey Council takes pride in its streets and we want residents and businesses to feel the same. The site sponsorship scheme offers local businesses and organisations a chance to contribute to making their local environment a nice and welcoming one.

Companies are invited to sponsor a roadside flowerbed in the borough. We will ensure that the standard of floral and plant displays in the sponsored bed is upgraded and maintained. In return we will credit the company with the upgrade by allowing sponsorship signage to sit in the flowerbeds for an agreed period of time.

If you are interested in sponsoring a site, or would like to recommend a site that you think would benefit from this scheme, then contact Douglas Reed by email: douglas.reed@haringey.gov.uk or by phone: 020 8489 5724
