Public and Statutory Consultation

Proposed Zebra Crossing on Muswell Hill Road, between Woodside Avenue and Cranley Gardens, N10

Dear Resident or Business,

Following requests from the local community, as part of this year's Road Danger Reduction Investment Plan, the Council is proposing to introduce a zebra crossing on Muswell Hill Road between Woodside Avenue and Cranley Gardens.

Officers have investigated the latest 36 months' collision data at this location and can confirm that there have been 5 slight recorded personal injury accidents (PIAs).

The proposed zebra crossing on Muswell Hill Road between Woodside Avenue and Cranley Gardens will provide a clearly defined crossing point and will give pedestrians the right of way over traffic, enabling them to cross the road safely, which will assist in reducing PIAs.

Details of the proposal are listed below and set out on the plan overleaf:

- Provision of a zebra crossing on Muswell Hill Road near Woodside Avenue, including associated lighting equipment and road markings.
- Provision of high skid resistant surface treatment on the approach to the zebra crossing.

This letter marks the start of a three-week public and statutory consultation period during which we welcome your views. The statutory consultation is a formal process whereby the proposals are advertised in the local press and allow a 21-day period for anyone wishing to object to the proposals. You can give us your views, comments, or objections by scanning the QR code above, or using the link to complete our online feedback form. Alternatively, you can email us at frontline.consultation@haringey.gov.uk or use the enclosed Freepost feedback card.

If you object to the scheme, please give reasons for your objection. Please ensure that your responses including any objections reach us as soon as possible and no later than **15 November 2023**. If you have any questions on the scheme, please email us.

Thank you for your interest and we look forward to hearing from you.

Yours faithfully
