

14th December 2022

Public and Statutory Consultation

Proposed speed reduction measures on Durnsford Road, N11

Dear Resident or Business,

Following concerns from the local community about speeding traffic, I am pleased to inform you that as part of this year's Road Danger Reduction Investment Plan, we are proposing to extend the existing 20mph zone to include Durnsford Road. The proposed 20mph zone will be self-enforcing thereby reducing vehicle speeds and improving road safety for all road users. The key interventions are as follows and are detailed on the plan overleaf:

- Extension of the existing 20mph zone to include Durnsford Road between Albert Road and Bounds Green Road
- Introduction of raised tables within the proposed 20mph zone
- Proposal to raise existing zebra crossing outside No.57
- Proposal to raise existing zebra crossing near No.147, remove central island and extend zig zag markings
- New road markings and signage

This letter marks the start of public consultation, during which we welcome your views on the proposals. Please provide these using the enclosed Freepost feedback card or email your views to us at frontline.consultation@haringey.gov.uk

At the same time, the statutory consultation on the proposed changes (legal process whereby the proposals are advertised in the local newspapers) will begin on 14th December 2022. The statutory consultation process normally runs for three weeks but given the approaching Christmas holiday period, it will run for five weeks until 18th January 2023. The statutory process is designed to ensure that anyone wishing to object to the proposals will have their views considered and responded to. You can object to the scheme by emailing traffic.orders@haringey.gov.uk Please give reasons for your objection.

Please ensure that your response including any objections to the proposals reach us as soon as possible and no later than **18th January 2023**.

Thank you for your interest and we look forward to hearing from you.

Yours faithfully,

Highways Engineering
