### Public and Statutory Consultation

#### Proposed Zebra Crossing on Wolseley Road near the junction of Park Road, N8

Dear Resident or Business,

Following requests from the local community, I am pleased to inform you that as part of this year's **Road Danger Reduction Investment Plan**, we are proposing to introduce a zebra crossing on Wolseley Road near the junction with Park Road. The proposed zebra crossing will improve pedestrian accessibility and road safety. We are also proposing to move the existing zebra crossing on Park Road away from the junction to improve visibility between drivers approaching and pedestrians waiting to cross.

The key interventions are as follows and are detailed on the plan overleaf:

- Provision of a new zebra crossing on Wolseley Road near the junction of Park Road
- Relocation of the existing zebra crossing on Park Road slightly further away from the junction with Wolseley Road
- Extension of the existing raised table to accommodate zebra crossings
