Dear Cllr Ejiofor,

Haringey Local Implementation Plan

Thank you for submitting your Local Implementation Plan (LIP) to the Mayor for approval.

London's boroughs are vital partners in delivering the Mayor's Transport Strategy (MTS). I would like to thank you and your officers for the significant time and effort that has gone into producing and consulting on your LIP.

I am pleased to confirm that Haringey's LIP has been approved following an assessment of your final draft submission against the provisions contained in section 146 of the GLA Act 1999.

I look forward to working with you as we deliver the ambitious outcomes of the MTS across London and create a fairer, greener, healthier and more prosperous city.

Yours sincerely,

Heidi Alexander
Deputy Mayor for Transport
