Dear Ms Dwyer,

Thank you for submitting the Domestic Homicide Review (DHR) report for Haringey to the Home Office Quality Assurance (QA) Panel. The report was considered at the Quality Assurance Panel meeting on 25 October 2016.

The QA Panel would like to thank you for conducting this review and for providing them with the final report. The Panel felt this was a good and fearless report with honest findings and that the DHR panel had a wide range of experts represented on it. The recommendations are clear and well articulated and the Panel was particularly pleased to see a range of recommendation for health organisations and practitioners.

There were some aspects of the report which the Panel felt could be revised, which you will wish to consider before publication:

- Please check the report for anonymity issues e.g. remove the name and address of the practice surgery;
- The Panel felt summarising and grouping together the lessons identified would make the report easier to follow;

- The Panel suggested making the executive summary a separate and stand alone document;
- The Panel would like to see a synopsis of the terms of reference in the overview report;
- The Panel felt further clarification on the independence of the panel chair would be helpful;
- Please thoroughly check the report for spelling and grammatical errors;

The Panel does not need to review another version of the report, but I would be grateful if you could include our letter as an appendix to the report.

I would be grateful if you could email us at DHREnquiries@homeoffice.gsi.gov.uk and provide us with both a copy of the final report and the URL to the report when it is published.

The QA Panel felt it would be helpful to routinely sight Police and Crime Commissioners on DHRs in their local area. I am, accordingly, copying this letter to Sophie Linden London's Deputy Mayor for Policing and Crime for information.

Yours sincerely

Christian Papaleontiou
Chair of the Home Office DHR Quality Assurance Panel
