

HOUSING ACT 1985 SECTION 105 CONSULTATION

Consultation on proposed changes to the provision of amenities for secure tenants of Ashdowne Court

Friday 19 February - Sunday 21 March

Our commitment to delivering new homes

Housing is a top priority for Haringey Council. There are around 3,000 families living in temporary accommodation, and over 10,000 people on the waiting list for council housing. We are committed to delivering a new generation of council homes for local people. Our preference is to build as many of these new council homes ourselves, on our own land, wherever possible. You can find out more about the council's Housing Delivery Programme, including funding and current sites, by visiting www.haringey.gov.uk/haringey-homes.

Ashdowne Court

In July 2019, the council agreed to look at a number of sites to consider their suitability for building new council homes. Space adjacent to Ashdowne Court was identified as one of those sites.

Under this proposal

Please see diagrams overleaf which show the existing site at Ashdowne Court and the changes we are proposing including:

- Removal of 15 pram sheds
- Relocation of refuse/recycling stores
- Removal of 18 parking bays off Spencer Road
- Reconfiguration of green space to the rear of Ashdowne Court
- Reconfiguration of parking bays off Tilson Road
- Using the land to provide three two-bedroom apartments and one three-bedroom home

Your views

The council wants to hear your views. No decision about the future of the listed amenities at Ashdowne Court has been made yet.

Under Section 105 of the Housing Act 1985, the council has a legal obligation to consult with its secure tenants on the removal and change of the listed amenities. Though not required, we will also be asking leaseholders for their views regarding this proposal. The council will consider any comments made about the proposal before a final decision is made.
