

HOUSING ACT 1985 SECTION 105 CONSULTATION

Consultation on proposed changes to the provision of amenities for secure tenants of Fiske Court

19 February 2021 - 21 March 2021

Our commitment to delivering new homes

Housing is a top priority for Haringey Council. There are around 3,000 families living in temporary accommodation, and over 10,000 people on the waiting list for council housing. We are committed to delivering a new generation of council homes for local people. Our preference is to build as many of these new council homes ourselves, on our own land, wherever possible. You can find out more about the council's Housing Delivery Programme, including funding and current sites, by visiting www.haringey.gov.uk/haringey-homes.

Fiske Court

In July 2019, the council agreed to look at a number of sites to consider their suitability for building new council homes. Space currently occupied by pram sheds and parking bays at Fiske Court was identified as a potential site.

Under this proposal

Please see diagrams overleaf which show the existing site at Fiske Court and the changes we are proposing including:

- Removal of 17 parking bays
- Removal of 10 pram sheds
- Relocation of refuse/recycling stores
- Providing five new two-bedroom homes to be let at council rents

Your views

The council wants to hear your views. No decision about the future of the amenities at Fiske Court have been made yet.

Under Section 105 of the Housing Act 1985, the council has a legal obligation to consult with its secure tenants on the proposed removal and change of the listed amenities. Though not required, we will also be asking leaseholders for their views regarding this proposal. The council will consider any comments made about the proposal before a final decision is made.
