Statutory Consultation

Proposed Zebra Crossing on White Hart Lane near Compton Crescent, N17

Dear Resident or Business,

Following requests from the local community, and as part of this year's Road Danger Reduction Investment Plan, the Council is proposing to introduce a zebra crossing on White Hart Lane near Compton Crescent.

Officers have investigated the latest 3 years' collision data at this location and can confirm that there has been 1 fatal accident.

The proposed zebra crossing will provide a clearly defined crossing point and will give pedestrians the right of way over traffic, enabling them to cross the road safely, which will assist in reducing road traffic accidents.

Details of the proposal are listed below and set out on the plan overleaf:

- Introduce a zebra crossing on White Hart Lane near Compton Crescent, including associated lighting equipment and road markings.
- Reduce the pay by phone and permit only parking bay by 16m outside no. 333 White Hart Lane, to provide adequate visibility.
- Provide high skid resistant surface treatment on the approach to the zebra crossing.

In order to introduce the proposals and legally enforce their use, we are required to enter into a period of consultation known as Statutory Consultation. This is the legal part of the process and takes the form of a Public Notice advertised in the local press, London Gazette and visible locations within the area to inform the public of the Council's intentions.

The statutory consultation process normally runs for three weeks but given the approaching summer holiday period, it will run for five weeks until **14th August 2024**. You can send us your objection or representation by scanning the QR code above or using the link to complete our online feedback form. Alternatively, you can use the enclosed Freepost feedback card. If you object to the scheme, please give reasons for your objection.

What Happens Next

Any objections or submissions will be considered by the Council before a decision is made. If the decision is made to implement the changes proposed, we will then send you a further letter informing you when works will commence on site.

If you have any questions on the scheme, please email us at frontline.consultation@haringey.gov.uk

Thank you for your interest and we look forward to hearing from you.

Yours faithfully

Ann Cunningham
Head of Highways and Parking
