

Environment and Resident Experience

Ann Cunningham: Head of Highways & Parking

4 September 2024

Outcome of Statutory Consultation and Works Notice

Proposed Parking Bays for Existing Lamp Column Electric Vehicle Charging Points (LCEVCPs)

Dear Resident or Business,

You may recall that we consulted you in March/April 2023 on the proposal to install designated parking bays for Existing Lamp Column Electric Vehicle Charging Points (LCEVCPs). We received a good response to the consultation and on behalf of the Council, we would like to thank all those who took the time to have their say and make their views known.

Full details of all the comments can be found in a report now available on the council's website at: <http://www.minutes.haringey.gov.uk/ieDecisionDetails.aspx?id=3073&LLL=0>

As part of the decision-making process, the council have given careful consideration to all comments and objections received, with the proposed introduction of the proposed bays having now been approved. The council will now proceed with the introduction of the bays at the locations provided with this letter. Design drawings for each location are available to view on the council's website which can be found here: <https://new.haringey.gov.uk/streets-roads-travel/travel/electric-vehicles/current-proposals-electric-vehicle-charging-points> - Parking bays Lamp Column Electric Vehicle Charging Points (LCEVCPs).

The works for installation of the bays on site will start the week commencing **Monday 16 September 2024** and we expect for all to be in place by **4 October 2024**, this will include painting and refreshing road markings, also installing new replacement signs and adjustment to some posts where required. The works will not take more than a couple of hours at each location.

If it's necessary, we might need to suspend parking to enable us to complete the works. Those who do not comply with the suspensions will have their vehicles relocated to enable us to complete the works in a timely manner.

If you have any queries or require any further information, you can e-mail us at frontline@haringey.gov.uk.

Thank you for your interest,

Yours faithfully

A handwritten signature in black ink, appearing to be 'Ann Cunningham', written over a light blue horizontal line.
