How to apply for a space in a cycle hangar

Applications for cycle hangar spaces are managed by Cyclehoop, the company that supplies and manages the arrangement. Cyclehoop will only start taking requests once a cycle hangar has been installed. A maximum of two spaces can be allocated per person, but if a Bikehangar is under-utilised over a period of time, then Cyclehoop will issue additional spaces if required. Priority will be given to the residents who requested for a cycle hangar to be installed and are on our waiting list.

To apply for a space and for rental charges, contact Cyclehoop directly:

Thank for your attention.

Yours faithfully

Cycle Storage/Bikehangar

Bike hangars are communal bike lockers offering storage for six bicycles. A single Bikehangar unit occupies less than one car parking space. The units are easy to open as they have self-lifting doors, and the steel design protects cycles from vandalism, theft, and wet weather.
