

# Schools and College Post 16 Guide 2024-2025

## Introduction

Choosing a college place is an exciting and challenging time for all learners. Our 2024-2025 school and college booklet has been designed to help you find out more about different college places in Haringey and nearby that can help you to meet your potential.

We want you to go to a college that is going to help you get the qualifications and experience to thrive in adulthood. There are a wide range of college courses on offer for our learners. They range from extra support on courses such as Maths and English through to courses designed to specific jobs and interests.

Our applications process varies depending on the type of school and college place you are requesting and more information can be found here. <https://www.haringey.gov.uk/children-and-families/local-offer/preparing-adulthood/staying-education>

Whatever your interests and passions are, we want to help find the right course and support you to access other opportunities like a Supported Internship. Over the course of this booklet, there is information on a range of college courses across Haringey, North London and beyond.

This guide is also for parents and carers to help support your children to find the right college place for them.

Overall, we want this guide to help our young people make the best decisions as to what college course is going to help them thrive and meet their potential in adult life.

This guide contains the following;

- ➔ List of Sixth forms and colleges in Haringey.
- ➔ List of nearby college providers outside of Haringey.
- ➔ Specialist places and other training providers

Supported Internship providers at Project Search NHS Providers

## Acknowledgement

This document has been created using the latest information contained from the Local Offer and by Providers.

If you need any further help with the information in this guide please email [SEN@haringey.gov.uk](mailto:SEN@haringey.gov.uk)
