### Statutory Consultation

#### Proposed Jarrow Road Controlled Parking Zone

Dear Resident or Business,

You may recall that in February of this year (2024) we wrote to you to ask if you were experiencing parking pressures in your area and whether you supported the introduction of a controlled parking zone (CPZ). I am pleased to say over 13% of you responded to provide us with your view. This exceeded the Council's Parking Policy minimum requirement of 10% response rate to inform a decision. I want to take this opportunity to thank everyone who participated in this process; your views are very important as they help us decide how to move forward.

#### What you told us

399 properties were sent the information. We received 52 responses. These responses were split as follows:

- 41 (78.82%) support the introduction of a parking zone
- 11 (21.2%) do not support the introduction of a parking zone

When asked about which day and times the controlled parking zone should operate, 30 respondents (57.7%) indicated support for Haringey's standard CPZ operating days and times, these being Monday to Saturday, 8 am - 6:30 pm.

We needed over 51% to agree on the operation times in order to meet our policy threshold; as we have 57.7% support, we are now able to progress to the next stage which is statutory consultation.

[See full details of the outcome of the public engagement.](#)

#### What we are going to do

We have decided to:

- a. Progress with the introduction of controlled parking controls on Jarrow Road as set out on the attached plan.
- b. The new Jarrow Road CPZ is proposed to operate Monday-Friday 8am-6.30pm, subject to the outcome of the statutory consultation and decision.

#### Next Steps

The statutory consultation on these changes will begin on **Wednesday 27 November 2024**. This provides a 21-day period for anyone wishing to object or respond to those proposals. To view these proposals in detail please see attached plans or [visit our online portal](#) and click on the 'proposals in consultation' tab and search for reference **2024-T46 – Jarrow Road CPZ**. If you are unable to view these online you can request a copy of the proposals by contacting us at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk).

The easiest way to send us your objection or submission is via the online portal (as set out above). Alternatively, you can email [traffic.orders@haringey.gov.uk](mailto:traffic.orders@haringey.gov.uk) or write to us at the postal address

shown on this letter. Please ensure that **Proposed Jarrow Road CPZ** is included within the subject title of your email or letter.

The closing date for objections and submissions to be received by the Council via portal, email or post is **Wednesday 18 December 2024**.

In Haringey, where a council housing estate falls within a CPZ, residents who live in the housing estate can also purchase CPZ permits to park in the public highway roads.

Residents in car free developments will be aware that they will not be eligible to apply for annual permits to park within Controlled Parking Zones. This a London wide Mayoral planning policy to encourage the uptake of sustainable modes of travel such as walking, cycling and the use of local transport.

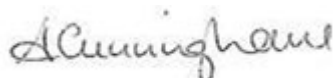

[See information on the cost of the permits](#) to be applied to the public highway roads which will form part of the new CPZ should it be implemented.

If you have any questions regarding the scheme, please contact us:  
[frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk).

### Happens Next?

At the end of the statutory consultation period, all objections and submissions will be considered by the council before a decision is made on whether to introduce parking controls within the public highway roads noted in this letter. I will write to you again to inform you of this decision and timescales for implementing the CPZ should it be approved.

Yours faithfully,

Highways and Parking
