

**The Bike Project** is a charity that takes secondhand bikes, refurbishes them, and donates them to refugees and people seeking asylum.

## Donate your bike to charity

People seeking asylum are forbidden from working and must live on £45 a week.

A bike is a free way to access services like healthcare and education. A bike can provide freedom, joy and community.

Give the gift of a bike to a refugee today!

**Find your nearest drop-off point and register a bike:**
