Activities for children and young people

Inclusion rating

This year each of our activities will have a coloured rating of what level of support they can provide for their participants. If you/your young person needs additional support, please use the guide below to better identify what level of support activities can provide. If unsure, please contact the provider for more information.

Key: Inclusion

- **Blue rating:** Sessions are open to all, and we can support individuals needing some additional assistance and adapt the activity accordingly, while expecting independent participation for most of the activity.
- **Green rating:** Session are open to all, and we can provide support to individuals with higher levels of need, although one-to-one support is not available. We strive to make reasonable accommodations to foster inclusivity.
- **Yellow rating:** The activity is designed to offer tailored support to individuals with high levels of need.

Summer 2024 – Dive into Summer Fun!

In our seventh year of summer fun, we're bringing the Olympic spirit to our holiday programme. This summer, it's all about getting out, making friends, and having a blast!

It's super important to keep moving and stay connected to help us feel good. That's why we've lined up heaps of cool activities across a range of venues. From music, drama and dance to martial arts, basketball, football, boxing, swimming, and tennis, there's something for everyone. And we welcome kids of all abilities to join in the fun.

Thanks to our local partners and support from the Government's Holiday Activity and Food programme (HAF), this summer's programme is going to provide bundles of fun. We're adding more outdoor activities in our parks, so get ready for a summer full of adventure.

We will also see the return of some of our classics, like the £1.00 swim and free football and basketball sessions. Plus, we've got week-long sports camps and loads of hands-on activities to keep you busy.

For all the details, including times, locations, and how to book (if needed), check out our guide and stay tuned to our website for more summer fun updates at www.haringey.gov.uk/holidayfun. Let's make this summer shine like the Olympics!

HARINGEY HOLIDAY ACTIVITY AND FOOD (HAF) PROGRAMME

Haringey is offering a range of HAF clubs over the summer holidays.

All HAF clubs are completely free for young people who are eligible for benefits based free school meals during the holidays.

Clubs will be run by locally trusted organisations, offering a range of physical and enrichment activities and a tasty nutritious lunch for children across Haringey.

Ensuring they have a fun and active summer holiday.
