2.3. CIL Report.....	11
2.4. Spending Strategic CIL (SCIL).....	12
2.5. Spending Neighbourhood CIL (NCIL)	18
3. Section 106 planning obligations (S106s).....	23
3.1. What are S106s?	23
3.2. Haringey S106s.....	24
3.3. S106 Report.....	25

1. What is the Infrastructure Funding Statement (IFS)?

1.1. What is the IFS?

1.1.1. The Council is required by law to publish an **Infrastructure Funding Statement (IFS)** by December every year.

1.1.2. National Planning Practice Guidance (PPG) states:

The IFS should identify infrastructure needs, the total cost of this infrastructure, anticipated funding from developer contributions, and the choices the authority has made about how these contributions will be used

(PPG CIL paragraph 017)

and

The IFS... will not dictate how funds must be spent but will set out the local authority's intentions

(PPG CIL paragraph 177 and
PPG Planning Obligations paragraph 034)

1.1.3. **'Developer contributions'** are monies the Council receives from developers through both:

- **Community Infrastructure Levy (CIL)**
- **Section 106 planning obligations (S106s)**

1.1.4. The legal requirement for IFSs is set out in Part 10A of the CIL Regulations 2010 (as amended) titled 'Reporting and monitoring on CIL and planning obligations'.

1.2. What are CIL & S106s?

- 1.2.1. **Community Infrastructure Levy (CIL) and Section 106 planning obligations (S106s)** are different mechanisms for securing financial contributions from developers known as '**developer contributions**'. S106s can also secure non-monetary obligations from developers too.
- 1.2.2. **CIL** is a charge based on the floorspace of new buildings to help fund infrastructure needs arising from new development.
- 1.2.3. **S106s** are legal obligations between developers and the Council (and sometimes other parties) relating to planning permissions which may require monies to be paid to the Council or direct delivery of other infrastructure or actions.

CIL	S106
 <p>Non-negotiable – calculated based on net increase in floorspace (£/m²)</p>	 <p>Negotiable</p>
 <p>Pooled & spent anywhere in the borough on infrastructure to generally support development</p>	 <p>Only if necessary to mitigate an impact from a site-specific new development, directly related to the development, and fairly and reasonably related in scale and kind to the development</p>
 <p>Paid by developer upon commencement of development</p>	 <p>Paid by developer upon agreed triggers e.g. completion, occupation etc</p>
<p>Strategic CIL Infrastructure List</p> <ul style="list-style-type: none"> • Educational Facilities • Further Education Facilities • Health and wellbeing Facilities • Parks and Open Spaces • Social and Community Facilities • Transport and Highways excluding works that area required as part of a development proposal to be secured through a Section 278 Agreement. • Enterprise Space • Sports and Leisure Facilities • Public Realm Improvements • Community Safety Measures • District Energy Network and associated infrastructure 	<p>S106 Planning Obligations Supplementary Planning Document (SPD)</p> <ul style="list-style-type: none"> • Affordable housing • Economic development, employment, skills & training • Transport & highways • Open space & public realm • Heritage • Environmental sustainability (inc. carbon offsetting, biodiversity) • Telecommunications (broadband) • Social & community infrastructure

1.3. Haringey's Corporate Delivery Plan

- 1.3.1. The Council's [Corporate Delivery Plan 2023 to 2024](#) sets out the outcomes the Council is currently working towards as an organisation; the activity planned to deliver these outcomes; how it will work to deliver it; and the key delivery dates.

- 1.3.2 S106 and CIL monies can be spent on a wide variety of themes within the Corporate Delivery Plan including [Responding to the Climate Emergency](#) and [Place and Economy](#). The Corporate Delivery Plan includes specific outcomes regarding new and enhanced infrastructure in Wood Green and Tottenham and contains the following outcome which is directly relevant to spend of S106 an CIL monies:

Residents will have a greater number of meaningful opportunities to directly influence how specific funding is spent

1.4. Haringey's Local Plan, IDP & Capital Programme

How does the Local Plan inform the IFS?

1.4.1. National Planning Practice Guidance (PPG) states:

The IFS should set out future spending priorities on infrastructure and affordable housing in line with up-to-date or emerging plan policies

(PPG CIL paragraph 177 and
PPG Planning Obligations paragraph 034)

and

The information in the IFS should feed back into reviews of plans to ensure that policy requirements for developer contributions remain realistic and do not undermine the deliverability of the plan

(PPG CIL paragraph 181 and
PPG Planning Obligations paragraph 037)

and

Information on the charging authority area's infrastructure needs should be drawn from the infrastructure assessment that was undertaken when preparing the relevant plan (the Local Plan and the London Plan in London) and their CIL charging schedules. This is because the plan identifies the scale and type of infrastructure needed to deliver the area's local development and growth needs

(PPG CIL paragraph 017)

Local Plan & Infrastructure Delivery Plan (IDP)

1.4.2. Haringey has an **existing adopted Local Plan** (July 2017) supported by an **Infrastructure Delivery Plan (IDP)** (April 2016). This 2022/23 IFS is based on the adopted Local Plan and IDP.

1.4.3. The **IDP** sets out how the Council will deliver local and strategic development needs including housing, employment, leisure and retail provision to support the implementation of the Local Plan. It considers infrastructure needs for the following categories:

- **Education**
- **Health**
- **Libraries & museums**
- **Open space, leisure & sport**
- **Transport**
- **Waste facilities**
- **Surface water management measures**
- **Water quality**
- **Electricity network**
- **Decentralised energy infrastructure**
- **Emergency services**

1.4.4. The Council has started work on an emerging **New Local Plan**. A **Draft Local Plan will be published in late 2024** with adoption anticipated in 2025. In support of the New Local Plan a new IDP is being prepared with a draft due to be published alongside the Draft Local Plan. Future annual IFSs will be joined-up with the New Local Plan and associated infrastructure evidence.

Capital Programme

1.4.5. The Council publishes a **Capital Programme** every year, listing the main capital investment projects. The Capital Programme for 2023/24 was approved in February 2023¹.

¹ [Appendix 4 - Capital Programme.pdf \(haringey.gov.uk\)](#)

1.5. Structure of the IFS

1.5.1. The structure of the IFS is based on the [CIL Regulations Part 10A 'Reporting and monitoring on CIL and planning obligations'](#) as follows:

Regulations		IFS Section
Regulation 121A IFSs	Schedule 2	
<p>(a)</p> <p>Infrastructure List</p> <p>a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL</p>	N/A	<p>Section 2.4 Spending Strategic CIL (SCIL) → Adopted Haringey policy → SCIL Infrastructure List</p>
<p>(b)</p> <p>CIL Report</p> <p>a report about CIL, in relation to the previous financial year...</p>	Regulations 1-2	Section 2.3 CIL Report
<p>(c)</p> <p>Section 106 Report</p> <p>a report about planning obligations, in relation to the reported year...</p>	Regulations 3-5	Section 3.3 S106 Report

2. Community Infrastructure Levy (CIL)

2.1. What is CIL?

- 2.1.1. The Community Infrastructure Levy (CIL) is a charge based on the floorspace of new buildings to help fund infrastructure needs arising from new development.
- 2.1.2. CIL must be spent as follows:
- Up to **5%** of CIL may be spent on the **administrative expenses** incurred by the Council in administering the collecting and spending of CIL.
 - **15%** of CIL may be spent on **Neighbourhood CIL (NCIL)** projects, that is projects identified in consultation with local neighbourhoods. The 15% figure increases to 25% where there is an adopted Neighbourhood Plan.
 - The remaining **70-80%** of CIL may be spent on **Strategic CIL (SCIL)** projects.
- 2.1.3. More detail on CIL is available at www.haringey.gov.uk/cil

2.2. Haringey CIL

- 2.2.1. On 21 July 2014 the Council approved the first **Haringey CIL Charging Schedule (HCIL1)**. HCIL1 took effect on 1 November 2014. On 14 March 2022 and following a CIL Partial Review, the Council approved the **Haringey Revised CIL Charging Schedule (HCIL2)**. This took effect on 1 September 2022 and on the same date HCIL ceased to have effect.
- 2.2.2. There were therefore two Haringey Charging Schedules in effect during the 2022/23 financial year (HCIL1 and HCIL2). The rates in HCIL1 are set out below. These rates applied to development granted planning permission before 1 September 2022.

Use ² and CIL Charge £/m ²	Western	Central	Eastern
Residential	£265	£165	£15
Student accommodation			£15
Supermarkets	£95		
Retail warehousing	£25		
Office, industrial, warehousing, small scale retail (use class A1-5)	Nil		
Health, school and higher education			
All other uses			

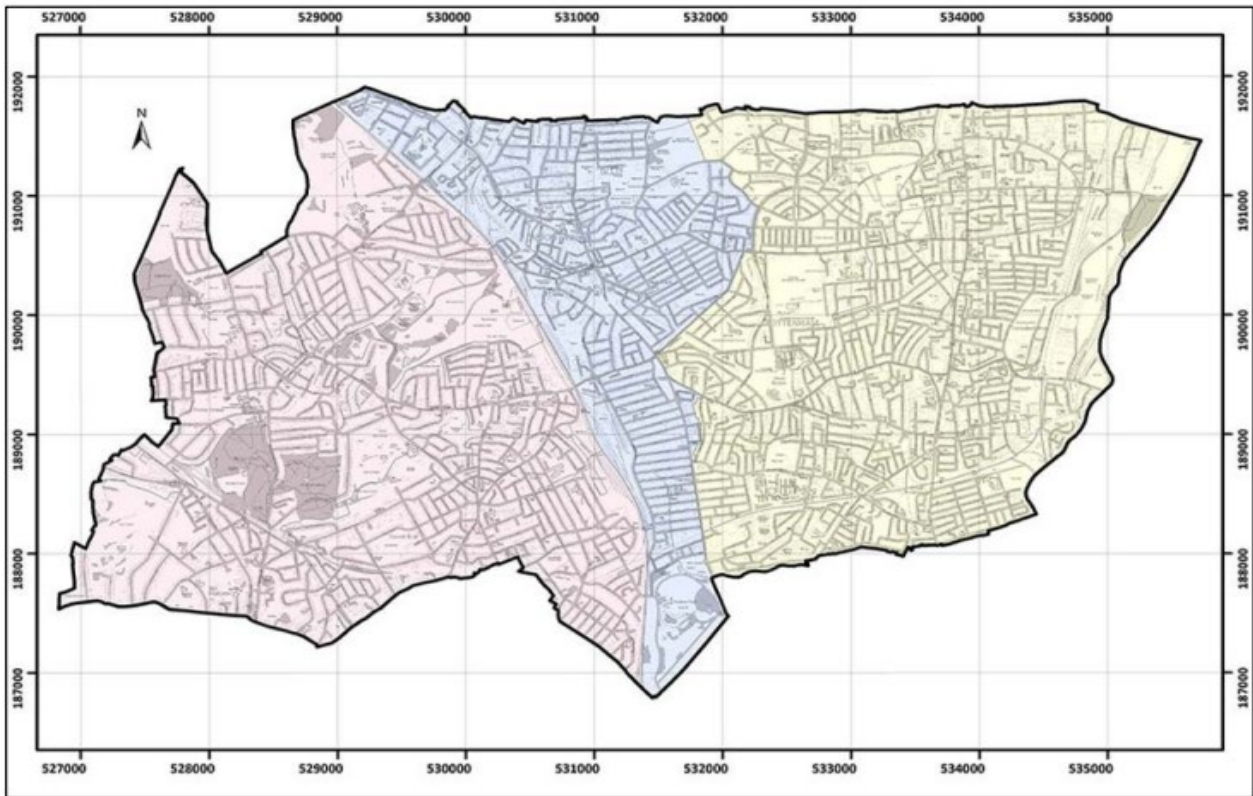

- 2.2.3. The rates in HCIL2 are set out below. These rates applied to development granted planning permission on or after 1 September 2022.

Use ³ and CIL Charge £/m ²	Western	Central	Eastern
Residential	£368.12	£229.21	£50
Student accommodation			£85
Build to Rent housing			£100
Supermarkets	£131.97		
Retail warehousing	£34.73		
Office, industrial, warehousing, small scale retail (Nil		
Health, school and higher education			
All other uses			

² Superstores/supermarkets are defined as shopping destinations in their own right where weekly food shopping needs are met and which can also include non-food floorspace as part of the overall mix of the unit. Retail warehouses are large stores specialising in the sale of household goods (such as carpets, furniture and electrical goods), DIY items, and other ranges of goods, catering mainly for car borne customers

³ Build to Rent is housing development which meets the definition set out in policy H13 of the London Plan 2021

2.2.4. The rates in the above tables are subject to annual indexation and indexed rates are set out in the Council's annual CIL Rate Summary available at www.haringey.gov.uk/cil

(ii) NCIL projects & amounts allocated/spent	2,249,265.00	0	2,249,265.00
(l) CIL receipts retained at end of year	22,523,903.53	26,560,175.48	26,560,175.48
(i) SCIL receipts for this year retained at end of year	N/A	3,116,575.44	N/A
(ii) SCIL receipts from previous years retained at end of year	N/A	18,657,052.08	N/A
Total SCIL receipts retained at end of year	18,657,082.08	21,773,657.52	21,773,657.52
(i) NCIL receipts for this year retained at end of year	N/A	919,696.51	N/A
(ii) NCIL receipts from previous years retained at end of year	3,159,659.81	3,866,821.45	N/A
Total NCIL receipts retained at end of year	3,866,821.45	4,786,517.96	4,786,517.96

Notes

All figures £

† Reported year i.e. 2022/23

‡ From any year

** Strategic CIL allocations: In 2016/17 £1.9m was allocated and spent on Bounds Green Primary School and in 2020/21 £14.645m was allocated on various projects (see below)

*** Neighbourhood CIL allocation: In 2019/20 £2,249,265 was allocated on various projects (see below)

2.4. Spending Strategic CIL (SCIL)

National legislation, policy & guidance

2.4.1. Legislation requires SCIL to be spent on “funding the provision, improvement, replacement, operation or maintenance of **infrastructure to support the development of its area**”⁴. Infrastructure is defined as including:

- Roads & transport facilities
- Flood defences
- Schools & educational facilities
- Medical facilities
- Sporting & recreational facilities
- Open spaces

2.4.2. National Planning Practice Guidance (PPG) on CIL states that SCIL “can be used to increase the capacity of existing infrastructure or to repair failing existing infrastructure, if that is necessary to support development”⁵.

⁴ Planning Act 2008, CIL Regulations 2010

⁵ National Planning Practice Guidance: CIL

Adopted Haringey policy

CIL Governance document

- 2.4.1. Haringey's CIL Governance document⁶ states that SCIL **“will be spent on CIL eligible projects with [sic] the Capital Programme, taking into account the Regulation 123 List and the IDP”**. The Capital Programme and the IDP are introduced in section 1 of this IFS, and the Regulation 123 List is now known as the SCIL Infrastructure List and is set out below.

SCIL Infrastructure List

- 2.4.1. This SCIL Infrastructure List replicates and replaces the list which was adopted in the Council's CIL Governance document adopted in November 2017 following consultation.
- 2.4.2. Haringey SCIL funding may be applied in whole or in part to the provision, improvement, replacement or maintenance of the following infrastructure:
- **Educational Facilities**
 - **Further Education Facilities**
 - **Health and wellbeing Facilities**
 - **Parks and Open Spaces**
 - **Social and Community Facilities**
 - **Transport and Highways** excluding works that area required as part of a development proposal to be secured through a Section 278 Agreement
 - **Enterprise Space**
 - **Sports and Leisure Facilities**
 - **Public Realm Improvements**
 - **Community Safety Measures**
 - **District Energy Network** and associated infrastructure

SCIL spending criteria

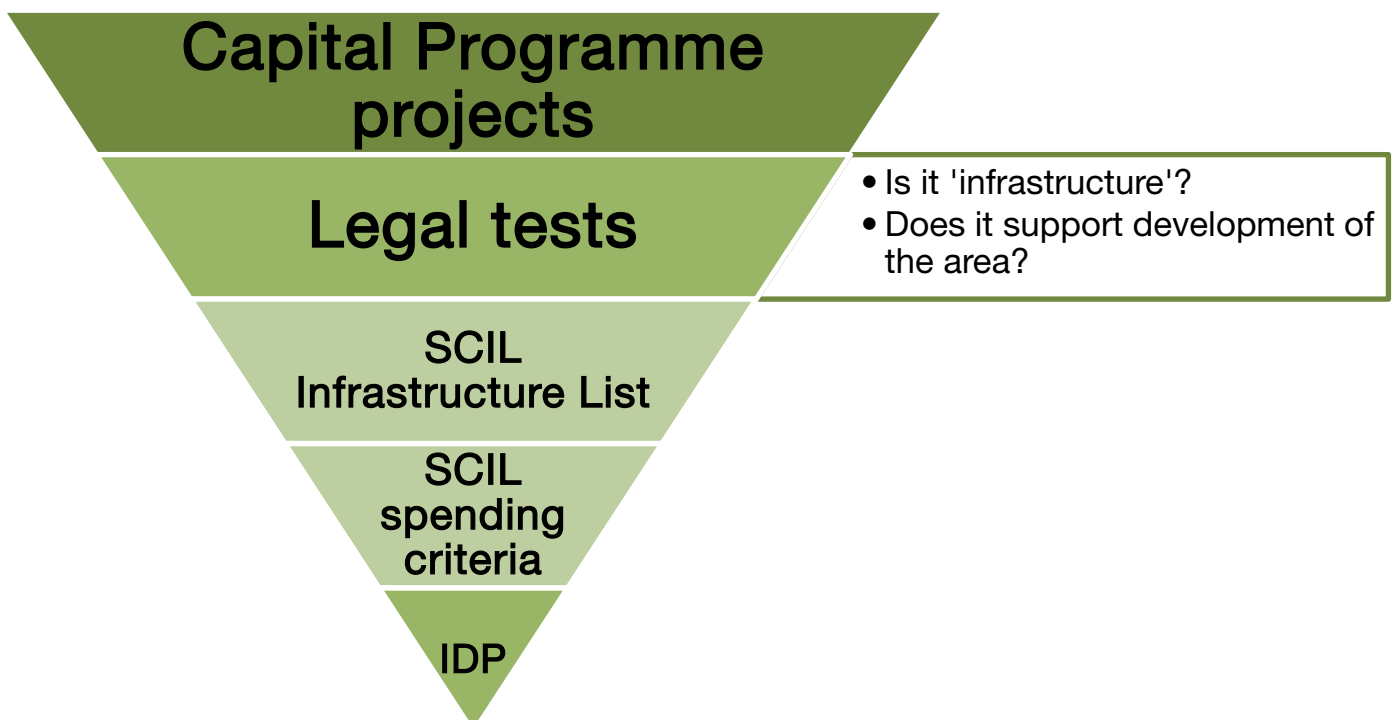

- 2.4.1. The Council's CIL Governance document makes clear “there will be competing demands” for SCIL and sets the following prioritisation guiding criteria:
- a. The proposed project has the **support of the service provider or operator**;
 - b. The use of CIL funding is necessary as **no alternative funding sources** are available to deliver the proposed infrastructure, including funding that may be made available in a later funding period (the exception is where there is an urgent need for the infrastructure and the Council can secure the CIL funds to be reimbursed at specified later date);
 - c. The proposed infrastructure will promote a **sustainable form of development** and will not give rise to **local impacts**;
 - d. The use of CIL funding can help to optimise the delivery of identified infrastructure through the ability to **leverage other sources of funding**, such as match or gap funding, or to reduce borrowing costs;

⁶ www.haringey.gov.uk/cil

- e. The use of CIL funding can provide **additionality to a capital infrastructure** project that maximises the benefits of the parent project where mainstream funding does not provide for this;
- f. The use of CIL funding can **increase the capacity of existing strategic infrastructure**;
- g. The use of CIL funding can help to deliver **coordinated improvements** within the area;
- h. The use of CIL funding can help to **accelerate the delivery of regeneration initiatives**;
- i. The use of CIL funding will help further **sustainable economic growth** for the benefit of the area or the borough;
- j. The proposed infrastructure is of a **sufficient scale or scope** so as to positively impact the local area;
- k. The proposed infrastructure can be **delivered within 24 months** of authorisation;
- l. The use of CIL funding represents **value for money** and will not give rise to long-term liabilities that place a financial burden on the service provider or operator.

SCIL allocation December 2020

- 2.4.2. The CIL Governance document requires SCIL to be spent on projects within the Capital Programme. The CIL Governance document does allow projects outside of the Capital Programme to be considered for SCIL spend by the Assistant Director for Planning and referred to the Capital Board.
- 2.4.3. To decide on how to spend SCIL, the Council must take into account the above listed documents and criteria.
- 2.4.4. To do this, projects from the Capital Programme must be 'filtered' or 'shortlisted' as follows:

2.4.5. In December 2020⁷ Cabinet approved **£14.645m** of SCIL monies being spent on projects which best met the relevant criteria, which are listed below.

SCIL Ref	Capital Programme			SCIL contribution
	Ref	Project	Full amount	
1	109	Youth Services (Wood Green Youth Space) New temporary youth space in Wood Green – raising attainment and aspirations for all young people who use the centre. £1m total capital cost + £150k x3 years revenue = £1.45m total: <ul style="list-style-type: none"> • £100k GLA Good Growth Fund • £100k Haringey Young People at Risk Strategy fund • £60k Wood Green capital fund • £250k NCIL (agreed March 2020) • £940k SCIL 		£940,000
2	119	School Streets A set of physical measures and interventions around the school gates. Making the space safer, more active travel friendly, and unsuitable for drivers to park and drive through. Measures may include pavement widening, planters for urban greening and chicanes, cycle parking, enforcement cameras, temporary gates to close roads to vehicular traffic.	£1,500,000 borrowing £1,500,000 external	£1,500,000
3	313	Active Life in Parks Outdoor gyms, children’s playgrounds, MUGAs, tennis courts, pitch improvements (£901k NCIL for wider parks projects across other capital lines was agreed March 2020)	£1,150,000 borrowing	£500,000
4	474	Tottenham High Road Strategy Deliver a number of public realm infrastructure, open spaces, workspace and mixed used sites projects across Seven Sisters, Tottenham Green and Bruce Grove. Proposal for SCIL is for the Tottenham Green project element as part of High Streets Recovery Action Plan.	£12,727,000 borrowing	£342,000
5	411	Tottenham High Road & Bruce Grove station Delivery of employment workspace and public realm improvements in Bruce Grove Ward	£569,000 borrowing	£569,000
6	480	Wood Green Regen	£34,413,000 borrowing	£600,000
6.1		Turnpike Lane Improvement Project Community-led regeneration to contribute to a safer environment; enhance public spaces; improve safety and design out anti-social behaviour; secure a legacy of good design; and promote and support recovery of the local economy. Working closely with the Turnpike Lane Traders Association. Total capital cost £1.2m: <ul style="list-style-type: none"> • £600k Council capital • £600k SCIL 		
6.2		Penstock Tunnel and Public Space		

⁷ www.minutes.haringey.gov.uk/ielssueDetails.aspx?lId=71778&PlanId=0&Opt=3#A166290

	Ref	Project	Full amount	
6.3		<p>Public realm improvements to Penstock Tunnel in Wood Green. The tunnel forms a strategic link connecting Wood Green town centre and Cultural Quarter with Alexandra Palace and Park and Hornsey to the west. The proposals will seek to create better connections between the east and west of the borough with improvements including drainage, wayfinding, lighting and landscaping, along with an integrated artwork commission. £700k total capital cost:</p> <ul style="list-style-type: none"> • £100k TfL funding no longer available, propose to replace with SCIL, and top up with extra £34k • £566k GLA/S106/Wood Green capital fund 		
		<p><u>Wood Green Common / Barratt Gardens / Tower Terrace</u> Sustainable drainage to take water from neighbouring roads and facilitate infiltration in areas with mature trees, increase tree planting and biodiversity. Key outcome is it created play and amenity spaces for the three neighbouring schools that connect onto this space. £1.25m total capital cost:</p> <ul style="list-style-type: none"> • £500k GLA Good Growth Fund 3 Accelerator • £750k SCIL 		£750,000
7	4008	<p>Wood Green Decentralised Energy Network (DEN) To support the delivery of a DEN around Wood Green. This may include funding towards the delivery of the energy centre where the low carbon heat is generated, air quality mitigation, the pipework around Wood Green to take the heat from the energy centre to the buildings that will then use it, and the connections into the buildings which would replace individual boiler systems.</p>	£7,000,000 self-finance	£650,000
8	4007	<p>Tottenham Hale Decentralised Energy Network (DEN) Funding to support the delivery of a DEN around Tottenham Hale. This may include funding towards the delivery of the energy centre where the low carbon heat is generated, the pipework around Tottenham Hale to take the heat from the energy centre to the buildings that will then use it (2021/22), heat storage facility and the connections into the buildings which would replace individual boiler systems. SCIL £1.5m for pipes at Ashley Road</p>	£6,500,000 self-finance	£1,500,000
9	465	<p>District Energy Network (DEN) To support the strategic delivery of the DEN programme sites across the borough (such as North Tottenham DEN and linking it to Edmonton Energy from Waste Plant).</p>	£12,960,000 self-finance	£1,400,000
10	NE W1	<p>Good Economy Recovery Plan: Making High Streets Fit for purpose</p>	£500,000	£500,000

SCIL Ref	Capital Programme			SCIL contribution
	Ref	Project	Full amount	
		Building on short-term Reopening High Streets Safely interventions and targeting high streets not covered by that grant. Funding for socially distant provision of attractive meeting/dwelling spaces in town centres including maintenance and provision of pavement expansion/street trading for local SMEs to allow for more customers		
11	NE W2	Good Economy Recovery Plan: Market trading investment £30k capital investment for Tottenham Green Market, £30k for Crouch End / other TCs. Providing trading opportunities for dozens of traders, providing a focal point and regular event to promote each town centre and encourage further investment. Signage, electricity points, water points, public realm, storage.	£60,000	£60,000
12	NE W3	Good Economy Recovery Plan: Streetspace Plan projects for Walking & Cycling Those projects that are as yet un-funded by TfL/DfT. Includes £200k for 2020/21 financial year.	£5,100,000	£5,100,000
13	NE W4	Good Economy Recovery Plan: 'Welcome Back' to town centres – signage / commissions at key gateways Act as place-branding for areas, clearly delineating town centres, used to promote the town centre for further investment and development	£100,000	£100,000

2.5. Spending Neighbourhood CIL (NCIL)

National legislation, policy & guidance

- 2.5.1. Legislation allows **15%** of CIL to be spent on **infrastructure or 'anything else that is concerned with addressing the demands that development places on an area'**. In places with an adopted Neighbourhood Plan, this increases to **25%** of CIL. This is called Neighbourhood CIL (NCIL).

Adopted Haringey policy

- 2.5.2. The process for deciding how the Council spends NCIL is set out in the Council's CIL Governance document available at www.haringey.gov.uk/cil.
- 2.5.3. Haringey is currently split into 9 NCIL areas as set out in the table on the next page. An interactive map is available at www.haringey.gov.uk/ncil.
- 2.5.4. There are different NCIL spend arrangements where a community has an adopted Neighbourhood Plan in place. In Haringey there are 3 Neighbourhood Forums in Highgate, Crouch End and Finsbury Park & Stroud Green. Currently only Highgate has an adopted Neighbourhood Plan which means that 25% of CIL may be spent on NCIL projects. The Finsbury Park and Stroud Green Neighbourhood Forum is not currently recognised in the CIL Governance document.
- 2.5.5. Following consultation, in March 2020 the Council agreed⁸ to:
- **Change the CIL Governance document** to allow a fairer approach and spend NCIL in a different area to where it was raised.
 - **Allocate NCIL via a new methodology** as follows:
 - The Neighbourhood Forum area amounts remain ringfenced. Of the remaining NCIL available:
 - 15% is allocated to areas based on the amount of development in an area⁹
 - 10% is allocated proportionally to the Tottenham areas (Areas 5 and 7) based on the number of wards in the areas
 - 75% is allocated proportionally to Areas 1 to 7 based on the number of wards in each area
 - **Spend NCIL on a list of 41 'Round 1' projects totalling £2.2m**
- 2.5.6 Approved NCIL Round 1 projects are set out below together with updates those projects.

⁸ www.minutes.haringey.gov.uk/ieListDocuments.aspx?Cid=435&Mid=9371&Ver=4

⁹ The amount of development is based on the NCIL collected as the simplest and most reliable and relevant proxy but adjusted so that the effect of the varying CIL rates across the borough is neutralised to ensure fairness. Each area's percentage share of the overall amount of development is then applied to the topslice amount. This effectively distributes the topslice proportionally based on the amount of development.

NCIL Round 1 Projects by Area¹⁰

Area	Project	Ref #	Cost
Area 1 Fortis Green, Muswell Hill and Alexandra	Muswell Hill Library Accessibility Improvements	1	£271,459 contribution (to £357,000 full cost)
Area 2 Hornsey and Stroud Green	Re-deployable cameras x1	2a	£11,000
	On-street waste containment x2	2b	£10,000
	Bike hangars x1	2c	£5,000
	Priory Park Sports and Play Area Enhancements	2d	£100,000
	Stroud Green and Harringay Library Accessibility Improvements	2e	£55,806 contribution (to £180,000 full cost)
Area 3 Bounds Green and Woodside	Re-deployable cameras x2	3a	£22,000
	On-street waste containment x2	3b	£10,000
	Bike hangars x2	3c	£10,000
	Woodside Parks Play Area and landscaping improvements	3d	£46,000
	Chapman's Green New Play Area	3e	£20,000
	Springfield Park enhancements	3f	£10,000
	Wood Green Youth Space Contribution	3g	£50,000
Area 4 Noel Park and Harringay	Re-deployable cameras x2	4a	£22,000
	On-street waste containment x2	4b	£10,000
	Bike Hangars x2	4c	£10,000
	Wood Green Common Playground Update	4d	£50,000
	Wood Green Youth Space Contribution	4e	£150,000
Area 5 White Hart Lane and Northumberland Park	Re-deployable cameras x2	5a	£22,000
	On-street waste containment x2	5b	£10,000

	Parkland Walk Play Area	8b	£90,000
	Tree Planting	8c	£24,000

Ward changes in May 2022

2.5.6. Following a review by the Local Government Boundary Commission of the number of councillors, wards and ward names for the London Borough of Haringey, changes came into effect from 5 May 2022.¹¹ including an increase in the number of wards from 19 to 21. The new Haringey ward map can be viewed on the Council's website: <https://new.haringey.gov.uk/council-elections/elections-voting/where-to-vote/haringey-ward-boundaries>

2.5.7. As the 9 NCIL areas referred to on page 21 and the associated NCIL allocation methodology operates based on the old ward arrangements, the Council's existing policy approach needs to be reviewed. The policy approach was effective until 31 March 2022 therefore the Council therefore proposes to:

- Freeze re-allocated NCIL amounts at 31 March 2022 and allocate this money as part of **NCIL Round 2** later in 2024. Round 2 project spend will be informed by public consultation and may include a participatory budgeting pilot consistent with the Haringey Deal and having regard to a linked outcome in the Council's Corporate Delivery Plan.
- Consult on a revised NCIL policy approach in 2024/2025 which will apply from NCIL Round 3 and will utilise NCIL monies accrued from 1 April 2022.

Re-allocated monies available for spend as part of NCIL Round 2

2.5.8 The monies available for spend as part of NCIL Round 2 are set out in the far right column of the table on the following page. The total across 9 NCIL areas is **£1.73m**

Monies currently available for spend as part of NCIL Round 3

2.5.9 During the 2022/23 financial year the Council's NCIL receipts amounted to **£0.91m**. This money will be available for spend as part of NCIL Round 3 expected to take place in 2026.

3. Section 106 planning obligations (S106s)

3.1. What are S106s?

3.1.1. Section 106 planning obligations (S106s) are **legal obligations** based on Section 106 of the Town and Country Planning Act 1990 between developers and the Council (and sometimes other parties) relating to planning permissions.

3.1.2. S106s may require “sums to be paid to the authority”¹² and these must meet the legal S106 tests¹³:

- **Necessary** to make the development acceptable in planning terms;
- **Directly related** to the development; and
- **Fairly and reasonably related in scale** and in kind to the development.

3.1.3. S106s must be spent in accordance with the specific terms in each individual S106 agreement for each individual planning permission.

3.1.4. More detail on S106s can be found at www.haringey.gov.uk/section106.

¹² S106 of the Town and Country Planning Act 1990

¹³ Regulation 122 of the CIL Regulations 2010

3.2. Haringey S106s

- 3.2.1. Haringey's policies on S106s are set out in its **existing adopted Local Plan** (July 2017) and further guidance is provided in its adopted **Planning Obligations Supplementary Planning Document (SPD)** (March 2018).
- 3.2.2. The Planning Obligations SPD sets out how S106s may be negotiated for items including:
- Affordable housing
 - Economic development, employment, skills & training
 - Transport & highways
 - Open space & public realm
 - Heritage
 - Environmental sustainability including carbon offsetting, biodiversity
 - Telecommunications including broadband
 - Social & community infrastructure

3.3. S106 Report

3.3.1. Haringey's S106 Report for the reported year 2022/23 required by Regulation 121A(c) of the CIL Regulations 2010 is as follows:

TABLE 1: By Category for 2022/23

† Reported year i.e. 2022/23

‡ From any year

3.3.2. During the reported year section 106 spend included the following:

Affordable housing contributions	£650,050 towards the purchase of properties in the borough to be used as affordable housing
Economic development contributions	£171,380 towards the funding of Haringey Employment & Skills Team support Haringey residents in relation to employment and skills opportunities. Haringey Works is a one-stop shop service for Haringey residents dedicated to supporting them into employment. Haringey Works work closely with residents, partners and businesses to provide a wide range of pathways into employment in various sectors. Further detail is available here: https://works.haringey.gov.uk/Default.aspx
Environment contributions	£572,697 towards public realm improvements to Watermead Way as part of enhancement to the highways and public realm across Tottenham Hale set out in the Tottenham Hale Streets and Spaces Strategy
Carbon offsetting contributions	£82,820 towards the Haringey Community Carbon Fund further detail of which can be viewed here: https://new.haringey.gov.uk/environment/climate/haringey-community-carbon-fund
