

The Grove Pre-Supported Internship Programme:

A supported pathway into employment for young people with SEND

In partnership with Haringey Council and DFN Project SEARCH

A one-year program for 17-19-year-olds with an Education, Health Care Plan (EHCP) offering extra time to develop independence and work skills before an internship programme.

Launches 9 September 2024!

Benefits of a pre-supported internship

- Serves as a bridge between college and employment pathways.
- Develops work, social, and life skills.
- Emphasises building independence with travel training assistance.
- Offers work placements in diverse settings.
